- Founded in 2011, Pushpay is a rapidly growing company providing the global faith sector with a mobile and web-based donation system
- Primarily operates in North America targeting large Evangelical and Nondenominational churches

#### **Investment Thesis**

#### **Significant Growth Opportunities**

 Operating in an underpenetrated market with a superior product

#### Largely unaffected by COVID-19

 Rise in social distancing and online congregations is promoting churches to seek alternate ways for members to give donations

#### **Trading a discount**

 Share price has recently fallen from a YTD high of \$9.4

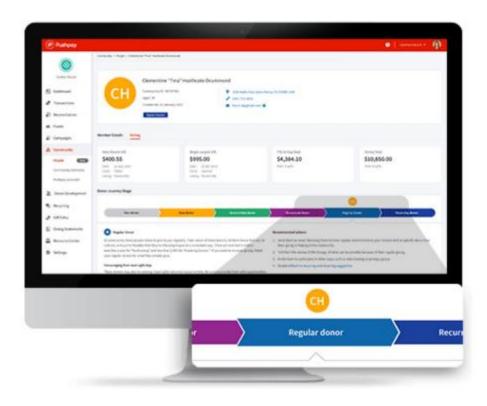

## Timeline

## Software to facilitate web based giving

- Pushpays software allows for online, mobile and text giving
- Each church is charged a subscription fee based on the churches size and a 2% processing fee per donation

#### Donor Management Reporting System

- This allows churches to each donor and their donations.
- Allows new, recurring and top donors to be identified
- provides metrics, insights, and recommended actions to help church staff identify trends and activity within their congregation

## Administrative Church Management System

- Pushpay acquired Church Community Builder in December 2019 for US\$87.5m
- Added a comprehensive Church Management System to Pushpays product offering
- Assists with scheduling of services, meetings, volunteer rosters
- Allows for church members to check in and follow along on their devices

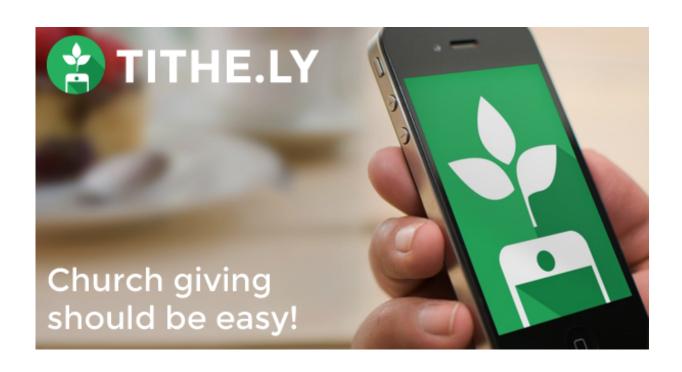

Pushpay

#### Exposure to megachurch growth

- US Megachurches are primary target customer.
- 58 of the 100 largest churches current Pushpay customers
- 32.5% of Megachurches had annual attendance growth of over 50%
- Megachurches more inclined to adopt digital giving than traditional churches

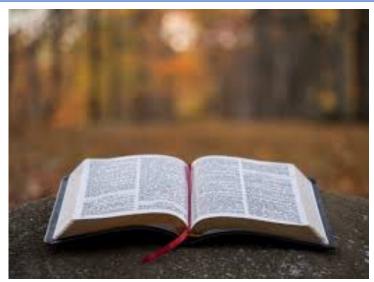

## Quality of product in relation to competitors

- Pushpay offers a customised all-in-one bundle for large churches.
- Highly fragmented
   market with over 250
   donation providers,
   however many are not
   for profit and only target
   a portion of the market
- Pushpay has very few to no competition for larger churches
- Revenue retention rate
  >100% and exceptional
  customer reviews

## Large and growing market

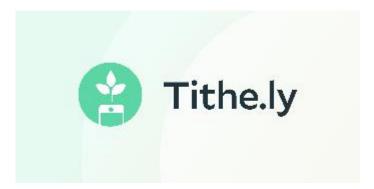

- Giving is a bible based principle which church goers adhere to today
- Individual giving has grown at an annual rate of 6% per annuum over the last 40 years
- Total addressable market estimated at US\$3bn, of which Pushpay has a 5% market share.
- Pushpays current customers make up 2.7% of all US churches

### Improved competitor offering

SUBSPLASH®

- Currently no competitors offer a comprehensive product like Pushpay
- If M&A were to occur between competitors, there is a risk that a future competitor could begin to offer a comprehensive product that can compete with Pushpays in the megachurch segment

### Reputation risk as a for profit

- Pushpay operates as a for profit company compared to most other not-forprofit competitors
- There is a risk that church customers may decide to switch to not-for-profit competitors as they believe their not-for-profit values align more closely with the curch

#### Foreign exchange translation risk

- Pushpay operates almost exclusively in the North American market.
- \$NZ profits and share price tied heavily to NZD vs USD exchange rate
